

If you have a favorite lodging that you have used in the past (near Edmonds Community College, our *former* venue) know that you are still only about 20 minutes from our **new venue: Shoreline Community College**.

If there is a group who might go in together, you could consider checking out Vacation Rental By Owner: VRBO and HomeAway (they are related!) <https://www.vrbo.com/>

There are a few houses, condos or apartments in the Edmonds, Lake Forest Park, Richmond Beach and North Seattle area that would be a short drive to the college.

Please contact LOJ Chair, Katy Callaghan Huston at katyh101@gmail.com if you need location advice!
