The Scribe's Table is a great place to sell your calligraphy, art work, paper products, and all things related to calligraphy for a paltry 10% commission. If you are a member of WOC or a teacher at LOJ, you are qualified to offer your treasured creations for sale. Where else will that ever happen? Over the years we have sold hand decorated quilted wall hangings with lettering, numerous cards, framed or matted art work, books, kits for paper projects, ink wells, bookmarks, lettered kitchen towels, and handmade journals To receive detailed information and an inventory sheet (which is mandatory), and your pricing code (so you get paid for the sales) contact Kay Lewis - Scribe's Table coordinator. Extra inventory sheets will be available the day of LOJ for any late decision makers. Kay Lewis will respond to email with the words "Scribe's Table" in the subject line at [xiahrh@earthlink.net](mailto:xiahrh@earthlink.net).
